The award.

JCC Association presents the Morton L. Mandel Jewish Educational Leadership Award biennially to an individual—or an institution—who has made a singular contribution to the enhancement of Jewish education in Jewish Community Centers and JCC camps.

Morton L. Mandel, JCC Association Honorary Chair, was the first to receive the award in 1998, in recognition of his efforts to strengthen Jewish education in JCCs throughout North America. In 1981, Mr. Mandel chaired the Commission on Maximizing Jewish Educational Effectiveness of JCCs (COMJEE). His leadership helped spur JCCs to strengthen their capacities to deliver effective Jewish educational services. Decades later, Mr. Mandel's contribution to COMJEE continues to inspire the JCC Movement.

The Award was re-named in his honor in 2000.
