2010 BIENNIAL CONVENTION**

The JCCs of North America 2010 Biennial Convention is the forum where JCC leaders convene to learn, share, grow, and get energized about their passion for the JCC. This year, the conference will be held Sunday, May 2 - Wednesday, May 5, 2010, in Atlanta, Georgia.

The JCCs of North America 2010 Biennial Convention is a world-class learning experience. Every workshop and seminar is designed and executed to deliver the tools JCCs need to move forward in this difficult economic climate. This year promises to deliver actionable insights for JCC leaders to implement immediately with their JCC and staff.

*Help our Troops Call Home. Cell Phones for Soldiers was created by Brittany & Robbie Bergquist of Norwell MA. After reading a story about a soldier who ran up a huge phone bill calling home from Iraq, these two teenagers decided to help out. They started by opening an account with \$21.00 of their own money. The cell phones are recycled for cash and the proceeds are used to buy prepaid calling cards for our soldiers serving in the Middle East. Their efforts have motivated people and businesses around the country to donate to this worthy cause. Their goal is to provide every US soldier with a way to call home for free.*
